Single Family

Plan 2517

Valencia 60's

The 2517 floor plan by Homes by Faircroft offers approximately 2,517 square feet of spacious living, featuring four bedrooms, 3.5 bathrooms, a private home office, and an extended garage.

The open-concept design connects the island kitchen, family room, and formal dining area, creating a spacious central gathering space ideal for everyday living and entertaining. The kitchen offers easy access to the dining and living areas, while a covered porch and oversized patio extend the living space outdoors.

The private primary suite features a luxurious bathroom, providing comfort and privacy. Three additional bedrooms offer flexibility for family and guests, while a dedicated home office provides a separate space for work or study. The extended garage offers additional room for vehicles and storage, adding convenience and functionality. With its
