Single Family

Plan 2578

Valencia 60's

This two-story floor plan by Homes by Faircroft offers spacious living designed for comfort and flexibility, featuring four bedrooms, 3.5 bathrooms, a private home office, an upstairs game room, and an oversized garage.

The spacious family room serves as the central gathering area, creating an inviting space for everyday living and entertaining. A dedicated home office on the main level provides a quiet space for work or study, while the upstairs game room offers additional room for recreation, relaxation, or family activities. An expansive covered patio extends the living space outdoors, providing an ideal setting for gatherings and entertaining.

The private primary suite features a spacious bathroom and dual walk-in closets, offering comfort, privacy, and generous storage. Three additional bedrooms provide flexibility for family members and guests, making the
