Single Family

Plan 2879

Valencia 60's

The 2879 floor plan by Homes by Faircroft offers 2,879 square feet of single-story living, featuring four bedrooms, 3.5 bathrooms, a dedicated game room, and an optional home office.

A standout feature of this design is its open central living area paired with a spacious, private primary suite. The kitchen features a large center island and walk-in pantry, opening directly to the dining and living rooms for easy entertaining. Just beyond the living area, an expansive covered patio creates an inviting outdoor gathering space.

The primary suite is tucked away at the rear of the home and features a spacious bathroom with a soaking tub, separate shower, and two walk-in closets. Three additional bedrooms offer comfortable accommodations for family or guests, while the separate game room provides flexibility for entertainment, hobbies, or relaxation. An optional home office adds even more versatility to the layout.

Complete with a dedicated laundry room, generous storage,
