Single Family

Plan 2936

Valencia 60's

The 2936 floor plan by Homes by Faircroft offers approximately 2,936 square feet of single-story living with four bedrooms, 3.5 bathrooms, a dedicated home office, and a versatile flex room.

A standout feature of this design is its combination of private bedroom spaces and flexible living areas, offering the convenience of everything on one level. The spacious 20' x 18' family room connects to the kitchen and dining area, creating an open gathering space filled with natural light. A large kitchen island, walk-in pantry, and easy access to the covered patio make this layout ideal for entertaining.

The private primary suite features a generous bedroom, spacious bathroom, and an impressive 17' x 12' walk-in closet. Three additional bedrooms are positioned throughout the home, while the separate office and flex
