Single Family

Plan 3051

Valencia 60's

The 3051 floor plan by Homes by Faircroft offers the convenience of single-story living with approximately 3,051 square feet, four bedrooms, 3.5 bathrooms, a private home office, and a spacious game room—all on one level.

What makes this design stand out is its combination of open gathering spaces and private retreats. The impressive 24' x 16' family room flows into an expansive dining area and a kitchen with a large center island, creating an ideal setting for entertaining. Just beyond the living area, a 25-foot-wide covered patio extends the space outdoors.

The private primary suite features a spacious bathroom and an oversized 13' x 12' walk-in closet, while three additional bedrooms offer flexibility for family and guests. A dedicated game room provides a separate space for entertainment without the need for a second story. Complete with a convenient mudroom, separate laundry room, generous
