Single Family

Plan 3450

Valencia 60's

The 3450 floor plan by Homes by Faircroft offers approximately 3,450 square feet of spacious living, with a layout that sets it apart. Featuring five bedrooms, 3.5 bathrooms, a dedicated home office, and an expansive upstairs game room, this two-story design provides room for everyone.

A standout feature is the three bedrooms located on the first floor, including a private primary suite with a generous walk-in closet and spacious bathroom. At the heart of the home, the kitchen opens to a large dining and family room, with easy access to the covered patio for indoor-outdoor entertaining. The kitchen also features a walk-in pantry and a separate butler's pantry for additional storage and convenience.

Upstairs, a 20' x 19' game room creates an impressive second living area, accompanied by two additional
