Single Family

Plan 2010

Hunters Crossing 60's

Spacious and family-oriented, this plan offers an open-concept core with a 17' x 15' family room, kitchen island, and dining area. Four bedrooms and three full baths provide flexibility, while a mud room near the two-car garage adds daily convenience. A covered patio extends the living space outdoors—ideal for growing families needing extra rooms and easy indoor-outdoor flow.
