

Single Family

Plan 2372

Hunters Crossing Single Family Homes

Tailored for productivity and leisure, the 2372 features a private office, spacious family room, and dining area. Standout elements include dual walk-in closets in the secondary bedrooms, 2.5 baths with a convenient powder room, and a combined mud room and laundry space. Outdoor living is complete with a covered patio (15' x 5') and porch (13' x 12'). Perfect for home office users seeking both elegance and efficiency.
