

Single Family

Plan 2507

Hunters Crossing Single Family Homes

This two-story home balances entertainment and work-life needs with a spacious downstairs family room open to the kitchen and dining area, plus a dedicated office. Upstairs, a game room adds space for play. The primary suite offers an en-suite bath and walk-in closet, and 2.5 baths include a convenient powder room. A covered patio enhances outdoor living, making this design ideal for families wanting separate zones for productivity and leisure.
