

**Single Family****Plan 2578****Hunters Crossing Single Family Homes**

Crafted for multi-generational living, this two-story home combines a generous family area with a downstairs office and an upstairs game room. The oversized garage provides space for hobbies or vehicles, while four bedrooms—including a primary with dual closets—offer ample living. With 3.5 baths and an expansive covered patio, this design is ideal for active families needing space for work, play, and storage.
