

Single Family

Plan 3473

Hunters Crossing Single Family Homes

The ultimate in luxury and adaptability, this expansive two-story plan offers a massive family room, gourmet kitchen, and formal dining room. Dedicated spaces include an office, upstairs game room, and a flex room that can serve as a fifth bedroom, second office, or hobby area. Options include a five-foot garage extension or third-car bay. With four bedrooms, a grand primary suite, 3.5 baths, and expansive patios, this design is ideal for large families desiring versatile spaces and premium features.
