

Single Family

Plan 3052

Arborwood

Compact yet luxurious single-story plan with a focus on open living, featuring a generous family area integrated with the kitchen and breakfast nook. Unique features include a versatile study that can double as a home office or library, oversized primary bedroom with en-suite bath, walk-in pantry and utility suite for organization, covered outdoor spaces, and a Texas garage for extra storage—perfect for empty-nesters or professionals wanting elegance without excess space.
