

Single Family

Plan 3301

Arborwood

This ranch style home offers balanced living with a main-level open family room, kitchen, and dining combo, plus upstairs recreation space. Selling points include a dedicated study on the first floor, gameroom (approximately 17' x 15') for entertainment, primary suite with luxurious bath, multiple secondary bedrooms, covered patio for relaxation, and options for customization—ideal for growing families on acreage seeking separate zones for work and play.
