Plan 2434 is the flagship of the 40’ series, offering the most space and the strongest sense of luxury. A large upstairs game room anchors the second floor, while generous bedroom sizes throughout the home support long-term living. The open-to-below feature enhances the home’s scale, and the layout works well for buyers who want space without moving to a wider lot. Located just minutes from schools, shopping, and dining, Mustang Meadows is the perfect place to make lasting memories. For more details or to express interest, contact us today!
